Programming Hero, Banani

ABOUT ME

Hi, I'm Sushanto Coach, a frontend developer with 2 years of learning and 5 months of hands-on experience. My skill set includes HTML, CSS, JavaScript, Tailwind, Bootstrap, React.js, Next.js, Firebase, Git, Express, and MongoDB. I specialize in creating visually appealing and functionally robust web applications, with a keen eye for design. Let's connect and discuss how my expertise can contribute to your projects!

WORK EXPERIENCE

SOFTWARE ENGINEER (INTERN)
Alzaf Limited (Aug 2023 - Present)

I'm a Software Engineer (Intern) at Alzaf Ltd, specializing in MERN stack web development. I design, code, and maintain innovative web applications, collaborating with cross-functional teams to deliver high-quality solutions. My passion lies in crafting clean and efficient code that drives business success.

PROJECTS

MAZLEY (ELECTRICAL COMPONENTS
SELLING) 22 May 2022 - 26 May 2022
[LIVE WEBSITE](#)
